

## Request for Proposal for Medicare Supplement & Medicare Advantage Plans

Retirees who continue their health insurance coverage with the City of Plano when they retire may also continue coverage when they become Medicare eligible. The level of coverage becomes what is called a “carve out” plan. An earlier issue of “Prime Times” focused on this topic.

We will soon be releasing a Request for Proposal to determine the type of Medicare

Supplement and Medicare Advantage group plans in the marketplace.

Once the bids are received, a review committee will work with our purchasing department in evaluating the bids. The intent is to have other options in place for Medicare eligible retirees and their Medicare eligible dependents at this year’s open enrollment for coverage effective January 1, 2008.

### WELLNESS TESTING SCHEDULE 2007

Retirees and their dependents covered on the health plan are eligible to participate in Wellness Testing.
