Choosing Vision Benefits Just Makes Sense

- Vision care and eyewear can cost an average of \$275 without a vision plan**
- Routine eye exams provide an opportunity for spotting systemic health problems, such as diabetes, hypertension, multiple sclerosis, brain tumors, lupus, AIDS, osteoporosis, rheumatoid arthritis, and Grave's disease.¹
- About 80% of learning in a child's first 12 years comes through the eyes.²
- Nearly 90 % of computer users suffer vision problems associated with computer eye strain.³
- 14 million Americans are visually impaired. Of these, more than 11 million have uncorrected visual impairments.⁴

Network Flexibility and Convenience

UnitedHealthcare Vision's vision provider network has over 30,000 locations nationwide. With more than 17,000 private practice providers and nearly 13,000 retail chain locations, UnitedHealthcare Vision's national network clearly offers the greatest convenience and access to care, including evening and weekend hours!

Ease-of-Use

As a UnitedHealthcare Vision member, we make it easy for you to start using your benefits.

1. Choose a provider via our Provider Locator or our web site www.myuhcspecialtybenefits.com
2. Call them to schedule your appointment. Identify yourself as a UnitedHealthcare Vision member.
3. Receive your exam
4. Choose your eyewear

Important to Remember

- Benefits available every 12 or 24 months (depending on the benefit frequency), based on last date of service.
- Lens Options such as progressive lenses, polycarbonate lenses, tints, UV, and anti-reflective coating may be available at a discount.
- If you elect vision coverage and choose to use an out-of-network provider, you still receive a great benefit. You will be reimbursed up to the out-of-network maximums. In order to receive reimbursement, all you need to do is submit the itemized paid receipt(s), along with the primary insured's unique identification number and patient's name and date of birth, to the following address: **UnitedHealthcare Vision Attn: Claims Dept. P.O. Box 30978 Salt Lake City, UT 84130** Receipts for services and materials purchased on different dates must be submitted together at the same time to receive reimbursement. Receipts must be submitted within 12 months of the date of service.
- Necessary contact lenses are determined at the provider's discretion for one or more of the following conditions: Following post cataract surgery without intraocular lens implant; to correct extreme vision problems that cannot be corrected with spectacle lenses; with certain conditions of anisometropia; with certain conditions of keratoconus. If your provider considers your contacts necessary, you should ask your provider to contact UnitedHealthcare Vision to confirm reimbursement that UnitedHealthcare Vision will make before you purchase such contacts.

Please note: Please consult the applicable policy/certificate of coverage for a full description of benefits, including exclusions and limitations. If there are differences in this document and the Group Policy, the Group Policy is the governing document.

The following services and materials are excluded from coverage under the Policy: Post cataract lenses; Non-prescription items; Medical or surgical treatment for eye disease that requires the services of a physician; Worker's Compensation services or materials; Services or materials that the patient, without cost, obtains from any governmental organization or program; Services or materials that are not specifically covered by the Policy; Replacement or repair of lenses and/or frames that have been lost or broken; Cosmetic extras, except as stated in the Policy's Table of Benefits.

** Approximate retail value illustrated: Exam & refraction (\$65), Single Vision (\$80), and Frames (\$130).

Average retail costs may vary by provider.
