

FENCE REPLACEMENT

- Permit cost is \$45.
- Fence Replacement of 25 percent or less is exempt from a permit, but must meet all other guidelines.
- An inspection is required to verify material type, and ensure maximum height.
- Please check with your Homeowner's Association for additional requirements prior to fence installation.
- For requirements, please visit www.buildinginspections.org:

- VIDEO: To watch a seven-minute video on fence installations, go to http://media.swagit.com/s/planotx/Plano_Wired/02162007-12html.

WATER HEATER REPLACEMENT

- Permit cost is \$45.
- Contractors can arrange a water heater inspection by phone or Internet. A 2-hour window of our expected time of arrival should be arranged between you and your Plumbing Inspector. To verify your time, please call 972-941-7140 on the day of the inspection between 7 – 7:30 a.m.
- Water heater inspection items include: location, access, pans, shutoff valve, pipe insulation, temperature and pressure relief, combustion air, vents and gas connection.
- For more information, please visit www.buildinginspections.org.
