www.livegreeninplano.com

*Live Green in Plano* provides residents information and resources to affect positive community changes through beautification, litter prevention and green lifestyle practices which improve the environment. *Live Green in Plano* welcomes your support of worthwhile sustainability projects through a continuous monthly pledge or a one-time contribution.

Donations are tax deductible and are used to fund City of Plano programs such as community cleanups, Plano Community Garden, the Neighborhood Dumpster Program, sustainability education, tree planting and upgrading median receptacles throughout our community.

Visit [livegreeninplano.com](http://livegreeninplano.com) or call **(972) 769-4130** for more information about our program, volunteer opportunities and contribution details.
