

live green expo

Saturday, April 17

9am - 7pm

Plano Centre

2000 E. Spring Creek Pkwy.
(West Parking Lot)

- **Learn** how to construct a 55 gallon rain barrel
- **Get** tips on installing an efficient irrigation system
- **Take** home your completed rain barrel!

Rain Barrel Workshop

presented by Texas AgriLife

Open to Plano residents, one per household.

Fee: \$20

Pre-registration required at livegreeninplano.com.

Registration Deadline: April 9

Save water and money today!
\$25 - \$300

City of Plano water utilities credit is available when residents replace an older, less efficient toilet with an EPA WaterSense approved High-Efficiency Toilet (HET). Start saving thousands of gallons of water annually by installing a HET!

Water Conservation Rebates are also available for rain barrels and rain/freeze sensors.
