

# Environmental Waste Services Open House

**Bring the whole family!** You'll have the opportunity to operate a real recycling truck, tour behind the scenes of some of our collection services and explore ways to better manage our waste in the City of Plano while also saving money. Environmental Waste Services staff will answer your questions about waste collection services and offer ideas to help you improve our community.

**Dates:** Saturdays, June 11 and September 17

**Time:** 9:30 – 11 a.m.

**Location:** Environmental Education Center 4116 W. Plano Parkway, Plano, TX 75093

**Registration:** These events are free but require pre-registration at [livegreeninplano.com](http://livegreeninplano.com).

## Let's Take Care of the Trash

**Be the first** to debut our new Let's Take Care of the Trash online learning module! To learn more about recycling and other collection services and receive one free bag of Texas Pure products visit [livegreeninplano.com](http://livegreeninplano.com) and follow the Let's Take Care of the Trash link.

Recycle all types of hard plastic containers in Plano's curbside recycling program. Plastic wrap and grocery bags should be returned to grocery stores for recycling. Polystyrene (Styrofoam) goes in the trash.

## Live Green in Plano Volunteer Training
