

WITH YOUR HELP, LIVING GREEN IN

provides residents with information and resources to improve the environment and conserve natural resources through green lifestyle practices.

Live Green In Plano needs your financial support of our community's programs, classes and projects through a monthly pledge or a one-time contribution.

Donations are tax deductible and used to fund programs such as community cleanups, sustainability education, and upgrading median receptacles.

Visit livegreeninplano.com or call (972)769-4130 for more information about our program, volunteer opportunities and contribution details.
