Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver to DTC on behalf of the Purchaser one typewritten Bond for each year of maturity of the Bonds, in the aggregate principal amount of all Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC.

Section 3.05 Ownership.

(a) The City, the Paying Agent/Registrar and any other person may treat the person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment of the principal thereof, for the further purpose of making and receiving payment of the interest thereon (subject to the provisions herein that for the Bonds interest is to be paid to the person in whose name the Bond is registered on the Record Date or Special Record Date, as applicable), and for all other purposes, whether or not such Bond is overdue, and neither the City nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of a Bond shall be valid and effectual and shall discharge the liability of the City and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06 Registration, Transfer and Exchange.

(a) So long as any Bonds remain outstanding, the City shall cause the Paying Agent/Registrar to keep at its Designated/Payment Transfer Office a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Ordinance.

(b) The ownership of a Bond may be transferred and exchanged only upon the presentation and surrender of the Bond to the Paying Agent/Registrar. A Bond may be assigned by the execution of an assignment form on the Bond or by other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer Office of the Paying Agent/Registrar, or sent by United States mail, first-class, postage prepaid, to the new registered owner or his designee. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 and in an aggregate principal amount equal to the unpaid principal amount of the Bonds presented for exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) Each exchange Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration, any subsequent transfer, or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

Section 3.07 Cancellation.

All Bonds paid or redeemed before scheduled maturity in accordance with this Ordinance, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Ordinance, shall be cancelled upon the making of proper records regarding such payment, exchange or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds in accordance with the Securities Exchange Act of 1934.

Section 3.08 Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09 Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Paying Agent/Registrar.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10 Book-Entry-Only System.

(a) The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the Letter of Representations.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying

Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Ordinance, or their respective attorneys or representatives duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the registered owner at the close of business on the Record Date or Special Record Date, as applicable, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(c) The Letter of Representations previously executed and delivered by the City, and applicable to the City's obligations delivered in book-entry-only form to DTC as securities depository, is hereby ratified and approved for the Bonds.

Section 3.11 Successor Securities Depository; Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the Letter of Representations, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

[Section 3.12](#) Payments to Cede & Co.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the Letter of Representations.

ARTICLE IV

REDEMPTION OF BONDS BEFORE MATURITY

[Section 4.01](#) Limitation on Redemption.

The Bonds shall be subject to redemption before their scheduled maturity only as provided in this Article IV.

[Section 4.02](#) Optional Redemption.

(a) The City reserves the option to redeem the Bonds maturing on and after May 15, 2019, in whole or in part, before their respective scheduled maturity dates, on May 15, 2018, or on any date thereafter, such redemption date or dates to be fixed by the City, at a redemption price equal to the principal amount thereof plus accrued interest to the redemption date.

(b) The City, at least 45 days before the redemption date, unless a shorter period shall be satisfactory to the Paying Agent/Registrar, shall notify the Paying Agent/Registrar of such redemption and of the principal amount of Bonds to be redeemed.

[Section 4.03](#) Mandatory Sinking Fund Redemption.

(a) The Bonds stated to mature on May 15, _____ (the "Term Bonds") are subject to scheduled mandatory redemption and will be redeemed by the City, in part at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the Interest and Sinking Fund, on May 15 in the years and in the respective principal amounts as set forth in the following schedule:

Term Bonds Maturing May 15, _____

<u>Redemption Date</u> <u>(May 15)</u>	<u>Principal</u> <u>Amount</u>
---	-----------------------------------

(Maturity)

(b) At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method

that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.05.

The principal amount of the Term Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.03 shall be reduced, at the option of the City, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.04 Partial Redemption.

(a) If less than all of the Bonds subject to redemption are to be redeemed pursuant to Section 4.02, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturities and in such principal amounts, for redemption.

(b) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. The Paying Agent/Registrar shall treat each \$5,000 portion of such Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Ordinance, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed principal amount of the Bond so surrendered, such exchange being without charge.

(d) The Paying Agent/Registrar shall promptly notify the City in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

Section 4.05 Notice of Redemption to Owners.

(a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed by first-class United States mail, postage prepaid to the address of each Owner of a Bond appearing on the Register at the close of business on the last Business Day next preceding the date of mailing of such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) The City reserves the right to give notice of its election or direction to redeem Bonds under Section 4.02 conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the City retains the right to rescind such notice at any time prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the City to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

(d) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(e) The Paying Agent/Registrar shall also send notice of redemption to two national information services that disseminate notices of redemption by a secured means that permits the Paying Agent/Registrar to verify the date of mailing. The Paying Agent/Registrar shall send a second notice of redemption to each Owner not more than 90 days after the redemption date, if such Owner is required to and has not presented Bonds for redemption within 30 days of the redemption date.

Section 4.06 Payment Upon Redemption.

(a) Before or on each redemption date, the City shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date, and the Paying Agent/ Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust such amounts as are received by the Paying Agent/Registrar from the City and shall use such funds solely for the purpose of paying the principal of and accrued interest on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of such Bond to the date of redemption from the money set aside for such purpose. Interest on any such Bond called for redemption shall be paid to the Owner in accordance with the provisions of Section 3.03 of this Ordinance.

Section 4.07 Effect of Redemption.

(a) Notice of redemption having been given as provided in Section 4.05 of this Ordinance and subject to any conditions or rights reserved by the City under Section 4.05(c), the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption; thereafter, unless the City defaults in its obligation to make provision for the

payment of the principal thereof and accrued interest thereon, such Bonds or portions thereof shall cease to bear interest from the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the City shall fail to make provision for the payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear or accrue interest at the rate stated on the Bond until due provision is made for the payment of same by the City.

Section 4.08 Limitation on Transfer.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption within 45 days of the date fixed for redemption; provided, however, that such limitation shall not apply to the uncalled principal balance of a Bond called for redemption in part.

If the date for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, legal holiday, or day on which banking institutions in the city where the Designated Payment/Transfer Office is located are required or authorized by law or executive order to close, the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which banking institutions are required or authorized to close, and payment on such date shall for all purposes be deemed to have been made on the original date payment was due.

This Bond is one of a series of fully registered bonds specified in the title hereof issued in the aggregate principal amount of [\$4,695,000] (herein referred to as the "Bonds"), issued pursuant to Subchapter C, Chapter 402, Texas Local Government Code, as amended, Chapter 1207, Texas Government Code, as amended, and a certain ordinance of the City (the "Ordinance"). Capitalized terms used herein and not otherwise defined shall have the meaning assigned thereto in the Ordinance. The Bonds are being issued for the purpose of providing funds to make certain improvements to the System, to refund a portion of the Previously Issued Bonds (hereinafter defined) to make a deposit to the reserve fund and to pay the costs of issuing the Bonds.

The Bonds, together with certain outstanding parity lien revenue bonds of the City (the "Previously Issued Bonds"), constitute special obligations of the City and are payable solely from and equally secured by a first lien on and pledge of the Revenues of the System. The Bonds and the Previously Issued Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the System, except with respect to the Revenues.

The City expressly reserves the right to issue additional revenue obligations in all things on a parity with the Bonds and the Previously Issued Bonds, payable solely from and equally secured by a first lien on and pledge of the Revenues of the System; provided, however, that any and all such additional obligations may be so issued only in accordance with and subject to the covenants, conditions, limitations and restrictions relating thereto which are set out and contained in the Ordinance to which reference is hereby made for more complete and full particulars.

The City has reserved the option to redeem the Bonds maturing on and after May 15, 2019, in whole or in part before their respective scheduled maturity dates, on May 15, 2018, or on any date thereafter, at a redemption price equal to the principal amount thereof plus accrued interest to the date of redemption. If less than all of the Bonds are to be redeemed, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity and in such principal amounts, for redemption.

The Bonds stated to mature on May 15, _____ (the "Term Bonds") are subject to scheduled mandatory redemption and will be redeemed by the City, in part at a price equal to the principal amount thereof, without premium, plus accrued interest to the redemption date, out of moneys available for such purpose in the Interest and Sinking Fund, on May 15 in the years and in the respective principal amounts as set forth in the following schedule:

Term Bonds Maturing May 15, _____

<u>Redemption Date</u> <u>(May 15)</u>	<u>Principal</u> <u>Amount</u>
---	-----------------------------------

(Maturity)

At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed and shall call such Term Bonds for redemption on such scheduled mandatory redemption date.

The principal amount of the Term Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to an optional redemption and not previously credited to a mandatory sinking fund redemption.

The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice, not less than 30 days before the date fixed for redemption, to the registered owner of each Bond or portion thereof to be redeemed by first-class United States mail, postage prepaid, at the address shown on the Register. In the Ordinance, the City reserves the right in the case of an optional redemption to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the City retains the right to rescind such notice at any time prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to

rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the City to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

As provided in the Ordinance, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption within 45 days of the date fixed for redemption; provided, however, that such limitation shall not apply to the uncalled principal balance of a Bond called for redemption in part.

The City, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the "Record Date" or the "Special Record Date", as applicable) and for all other purposes, whether or not this Bond is overdue, and neither the City nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds to render the same lawful and valid have been properly done and have happened in regular and due time, form and manner as required by law; that the Bonds do not exceed any constitutional or statutory limitation; and that provision has been made for the payment of the principal of and interest on the Bonds by irrevocably pledging the Revenues of the System, as hereinabove recited.

The owner hereof shall never have the right to demand payment of this Bond out of any funds raised or to be raised by taxation.

IN WITNESS WHEREOF, the City has caused this Bond to be executed in its name by the manual or facsimile signatures of the Mayor and City Secretary of the City, and the official seal of the City has been duly impressed or placed in facsimile on this Bond.

ARTICLE VII

FUNDS AND ACCOUNTS

Section 7.01 Creation of Funds.

All revenues derived from the operation of the System shall be kept separate from other funds of the City. To that end, creation of the following special Funds is hereby confirmed:

(a) “City of Plano, Texas Municipal Drainage Utility System Fund,” hereinafter called the “System Fund.”

(b) “City of Plano, Texas Municipal Drainage Utility System Reserve Fund,” hereinafter called the “Reserve Fund.”

(c) “City of Plano, Texas Municipal Drainage Utility System Bond Fund,” hereinafter called the “Bond Fund.”

Section 7.02 System Fund.

(a) The City hereby covenants and agrees that the Revenues of the System (excluding earnings and income derived from investments held in the Bond Fund and the Reserve Fund) shall be deposited as collected to the credit of the System Fund. All revenues deposited in the System Fund shall be pledged and appropriated to the extent required for the following uses and in the order of priority shown:

First: To the payment of the amounts required to be deposited in the Bond Fund for the payment of Debt Service on the Bonds and the Previously Issued Bonds as the same becomes due and payable.

Second: To the payment of the amounts required to be deposited in the Reserve Fund to maintain the Required Reserve in accordance with the provisions of this Ordinance or any other ordinance relating to the issuance of Additional Bonds.

(b) Revenues remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be transferred to the City’s general fund or used for any lawful purpose including payment of Operating and Maintenance Expenses.

Section 7.03 Bond Fund.

(a) Moneys on deposit in the Bond Fund shall be used solely for the purpose of paying the principal of and interest on the Bonds and the Previously Issued Bonds as the same becomes due and payable. The City hereby covenants that there shall be deposited into the Bond Fund from the System Fund an amount sufficient to pay the principal of and interest on the Bonds and the Previously Issued Bonds when due, either at maturity or prior redemption. Deposits to the Bond Fund shall be made in substantially equal monthly installments on or before the 10th day of each month, beginning the month next following the delivery of the Bonds to the Purchaser.

(b) The required monthly deposits to the Bond Fund for the payment of principal of and interest on the Bonds shall continue to be made as hereinabove provided until (i) the total amount on deposit in the Bond Fund and the Reserve Fund is equal to the amount required to fully pay and discharge all Outstanding Bonds or (ii) the Bonds are no longer Outstanding.

(c) Accrued interest and premium, if any, received from the sale of the Bonds, as well as earnings derived from the investment of moneys in the Bond Fund, shall be deposited to the credit of the Bond Fund and taken into consideration in determining the amount of the monthly deposits hereinabove required to be deposited in the Bond Fund from the Revenues of the System.

Section 7.04 Reserve Fund.

(a) All funds deposited to the credit of the Reserve Fund (excluding investment or deposit earnings and income which may be transferred to the System Fund during such periods as there is on deposit in the Reserve Fund the Required Reserve) shall be used solely for the payment of the principal of and interest on the Bonds and the Previously Issued Bonds when due (whether at maturity or upon a mandatory redemption date) to the extent that other funds available for such purposes are insufficient, and, in addition, may be used to the extent not required to maintain the "Required Reserve," to pay, or provide for the payment of, the final principal amount of a series of Additional Bonds, if issued, that is no longer deemed to be "Outstanding" as such term is defined herein.

(b) The total amount to be maintained in the Reserve Fund by reason of the issuance of the Bonds shall be an amount equal to the Average Annual Debt Service for the Bonds and the Previously Issued Bonds (calculated on a Fiscal Year basis), and hereinafter referred to as the "Required Reserve."

(c) When Additional Bonds are issued, the Required Reserve shall be increased, if required, to an amount equal to the lesser of (i) the Average Annual Debt Service (calculated on a Fiscal Year basis) for all bonds Outstanding, as determined on the date of issuance of each series of Additional Bonds, and annually following each principal payment date or redemption date for the Bonds, the Previously Issued Bonds and any Additional Bonds Outstanding, as the case may be, or (ii) the maximum amount in a reasonably required reserve fund that can be invested without restriction as to yield pursuant to Subsection (d) of Section 148 of the Code and regulations promulgated thereunder.

(d) While cash and investments in the Reserve Fund total not less than the Required Reserve, no deposits need be made to the credit of the Reserve Fund. If and when the Reserve Fund at any time contains less than the Required Reserve, the City covenants and agrees to cure the deficiency in the Required Reserve by making monthly deposits on or before the 10th day of each month to said Fund from the Revenues in amounts equal to not less than 1/60th of the then total Required Reserve to be maintained in said Fund until the total Required Reserve then to be maintained in said Fund has been fully restored. The City further covenants and agrees that, subject only to the payments to be made to the Bond Fund, the Revenues shall be applied and appropriated and used to maintain the Required Reserve and to cure any deficiency in such amounts as required by the terms of this Ordinance and any other ordinance pertaining to the issuance of Additional Bonds.

(e) During such time as the Reserve Fund contains the total Required Reserve, the City may, at its option, withdraw all surplus in the Reserve Fund in excess of the Required Reserve and deposit such surplus in the System Fund; provided, however, that to the extent such surplus monies constitute bond proceeds, including interest and income derived therefrom, such amounts shall not be deposited to the System Fund and shall only be used for the purposes for which bond proceeds may be used.

(f) At any time after all of the Previously Issued Bonds dated on or before May 1, 2003, have been paid, refunded or cancelled and are no longer outstanding, the provisions of

subparagraphs (g) through (n) of this Section 7.04 shall apply and the provisions contained in (a) through (e) above shall be of no force and effect.

(g) The City covenants and agrees that it will continuously maintain in the Reserve Fund an amount of Reserve Fund Obligations equal to not less than the Average Annual Debt Service on the Bonds and the Previously Issued Bonds (the "Required Reserve"), and that upon issuance of Additional Bonds, the Required Reserve shall be increased, if required, to an amount equal to the lesser of (i) the Average Annual Debt Service (calculated on a Fiscal Year basis) for all bonds Outstanding, as determined on the date of issuance of each series of Additional Bonds, and annually following each principal payment date or redemption date for the Bonds, the Previously Issued Bonds and any Additional Bonds Outstanding, as the case may be, or (ii) the maximum amount in a reasonably required reserve fund that can be invested without restriction as to yield pursuant to Subsection (d) of Section 148 of the Code and regulations promulgated thereunder. For so long as the funds on deposit in the Reserve Fund are equal to the Required Reserve, no additional deposit need be made therein, but should the Reserve Fund at any time contain less than the Required Reserve, then, subject and subordinate to making the required deposits to the credit of the Bond Fund, the City shall restore such deficiency by depositing additional Reserve Fund Obligations into the Reserve Fund in monthly installments of not less than 1/60th of the Required Reserve on or before the 10th day of each month following such deficiency, termination, or expiration. The money on deposit in the Reserve Fund shall be used solely for the purpose of paying the principal of and interest on the Bonds, the Previously Issued Bonds and any Additional Bonds at any time there are not sufficient moneys on deposit in the Bond Fund.

(h) The City may, at its option, withdraw all surplus in the Reserve Fund over the Required Reserve and deposit the same in the System Fund; provided, however, that to the extent such surplus monies constitute bond proceeds, including interest and income derived therefrom, such amounts shall not be deposited to the System Fund and shall only be used for the purposes for which bond proceeds may be used.

(i) For the purpose of determining compliance with the requirements of subsection (g) of this Section, Reserve Fund Obligations shall be valued each year as of the last day of the City's fiscal year at their cost or market value, whichever is lower, except that any direct obligations of the United States (State and Local Government Series) held for the benefit of the Reserve Fund in book-entry form shall be continuously valued at their par value or face principal amount.

(j) To the extent permitted by, and in accordance with applicable law and upon approval of the Attorney General of the State of Texas, the City may replace or substitute a Credit Facility for cash or investment securities, of any of the type or types permitted by Section 7.06 hereof, on deposit in the Reserve Fund or in substitution or replacement of any existing Credit Facility. Upon such replacement or substitution, cash or investment securities of any of the types permitted by Section 7.06 hereof, on deposit in the Reserve Fund which, taken together with the face amount of any existing Credit Facilities, are in excess of the Required Reserve may be withdrawn by the City, at its option, and transferred to the System Fund; provided that the face amount of any Credit Facility may be reduced at the option of the City in lieu of such transfer. However, to the extent such surplus monies constitute bond proceeds,

including interest and income derived therefrom, such amounts shall not be deposited to the System Fund and shall only be used for the purposes for which bond proceeds may be used. Any interest due on any reimbursement obligation under the Credit Facility shall not exceed the highest lawful rate of interest which may be paid by the City.

(k) If the City is required to make a withdrawal from the Reserve Fund, the City shall promptly notify the issuer of such Credit Facility of the necessity for a withdrawal from the Reserve Fund, and shall make such withdrawal first from available moneys or investment securities then on deposit in the Reserve Fund, and next from a drawing under any Credit Facility to the extent of such deficiency.

(l) In the event of a deficiency in the Reserve Fund, or in the event that on the date of termination or expiration of any Credit Facility there is not on deposit in the Reserve Fund sufficient Reserve Fund Obligations, all in an aggregate amount at least equal to the Required Reserve, then the City shall, after making required deposits to the Bond Fund in accordance with the terms of this Ordinance, satisfy the Required Reserve by depositing additional Reserve Fund Obligations into the Reserve Fund in monthly installments of not less than 1/60th of the Required Reserve on or before the 10th day of each month following such deficiency, termination or expiration.

(m) In the event of the redemption or defeasance of any of the Outstanding Bonds, any Reserve Fund Obligations on deposit in the Reserve Fund in excess of the Required Reserve may be withdrawn and transferred, at the option of the City, to the System Fund, as a result of (i) the redemption of the Outstanding Bonds, or (ii) funds for the payment of the Outstanding Bonds having been deposited irrevocably with the paying agent or place of payment therefor in the manner described in this Ordinance, the result of such deposit being that such Outstanding Bonds no longer are deemed to be Outstanding under the terms of this Ordinance. However, to the extent such surplus monies constitute bond proceeds, including interest and income derived therefrom, such amounts shall not be deposited to the System Fund and shall only be used for the purposes for which bond proceeds may be used.

(n) In the event there is a draw upon the Credit Facility, the City shall reimburse the issuer of such Credit Facility for such draw in accordance with the terms of any agreement pursuant to which the Credit Facility is issued from Net Revenues; however, such reimbursement from Net Revenues shall be subject to the provisions of subparagraph (k) hereof, and shall be subordinate and junior in right of payment to the payment of principal of and premium, if any, and interest on the Bonds.

Section 7.05 Deficiencies; Excess Revenues.

(a) If on any occasion there shall not be sufficient Revenues of the System to make the required deposits into the Bond Fund and the Reserve Fund, then such deficiency shall be cured as soon as possible from the next available Revenues of the System, or from any other sources available for such purpose.

(b) Subject to making the required deposits to the Bond Fund and the Reserve Fund in accordance with the provisions of this Ordinance, the ordinances authorizing the issuance of

the Previously Issued Bonds, or any ordinance authorizing the issuance of Additional Bonds, the excess Revenues may be transferred to the City's general operating fund or used by the City for any lawful purpose.

Section 7.06 Security of Funds.

(a) Money in any Fund may, at the option of the City, be invested in funds and obligations authorized and identified in the Public Funds Investment Act, as amended (to the extent such funds and obligations are also authorized under the City's investment policy), or other applicable law; provided, however, that until such time as the Previously Issued Bonds dated on or before May 1, 2003, are no longer Outstanding, the investment of moneys held in the Bond Fund and the Reserve Fund shall be restricted to time deposits or certificates of deposit secured (to the extent not insured by the Federal Deposit Insurance Corporation) by obligations of the type hereinafter described, or be invested, including investments held in book-entry form, in direct obligations of the United States of America and obligations guaranteed or insured by the United States of America, which, in the opinion of the Attorney General of the United States, are backed by its full faith and credit or represent its general obligations. All deposits and investments shall be made in such a manner that the money required to be expended from any Fund will be available at the proper time or times and, until such time as the Previously Issued Bonds dated on or before May 1, 2003, are no longer Outstanding, the maximum stated maturity for any investment acquired with money in the Reserve Fund shall be limited to five (5) years from the date of the investment of such money. Investments (except State and Local Government Series investments held in book-entry form, which shall at all times be valued at cost) shall be valued in terms of current market value within 45 days of the close of each Fiscal Year and, with respect to investments held for the account of the Reserve Fund, within 30 days of the date of passage of each ordinance authorizing the issuance of Additional Bonds. All interest and income derived from deposits and investments in the Bond Fund immediately shall be credited to, and any losses debited to, the Bond Fund. All interest and interest income derived from deposits in and investments of the Reserve Fund shall, subject to the limitations provided in Section 7.04 hereof, be credited to and deposited in the System Fund. All investments shall be sold promptly when necessary to prevent any default in connection with the Bonds or any Previously Issued Bonds.

(b) To the extent amounts deposited to the credit of any Funds referenced herein are not invested, such uninvested amounts shall be secured in the manner and to the fullest extent required by laws of the State of Texas for the security of public funds.

PARTICULAR REPRESENTATIONS AND COVENANTS

Section 9.01 Payment of Bonds.

While any of the Bonds are Outstanding, the Director of Finance (or other designated financial officer of the City) shall cause to be transferred to the Paying Agent/Registrar, from funds on deposit in the Bond Fund, and, if necessary, in the Reserve Fund, amounts sufficient to fully pay and discharge promptly as each installment of interest and principal of the Bonds accrues or matures or comes due by reason of redemption prior to maturity; such transfer of funds to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Bonds at the close of the last business day next preceding the date of payment for the Bonds.

Section 9.02 Issuance of Additional Parity Bonds.

(a) Subject to the provisions hereinafter appearing as to conditions precedent which must be satisfied, the City reserves the right to issue, from time to time as needed, Additional Bonds for any authorized purpose, including the issuance of refunding bonds. Such Additional Bonds may be issued in such form and manner as now or hereafter authorized by the laws of the State of Texas for the issuance of evidences or instruments, and should new methods or financing techniques be developed that differ from those now available and in normal use, the City reserves the right to employ the same in its financing arrangements provided that the following conditions precedent for the authorization and issuance of the same are satisfied, to wit:

(i) The officer of the City then having the primary responsibility for the financial affairs of the City shall have executed a certificate stating (a) that, to the best of

his knowledge and belief, the City is not then in default as to any covenant, obligation or agreement contained in any ordinance or other proceeding relating to any obligations of the City payable from and secured by a lien on and pledge of the Revenues of the System that would materially affect the security or payment of such obligations and (b) either (i) payments into all special Funds maintained for the payment and security of all outstanding obligations payable from and secured by a lien on and pledge of the Revenues of the System have been made and that the amounts on deposit in such special Funds equal or exceed the amounts then required to be on deposit therein or (ii) the application of the proceeds of sale of such obligations then being issued will cure any such deficiency;

(ii) The Additional Bonds shall be scheduled to mature or be payable as to principal on May 15 or November 15 (or both) in each year the same are to be outstanding or during the term thereof; and

(iii) The Reserve Fund shall contain the Required Reserve amount on the date of issuance of the proposed Additional Bonds after giving effect to the issuance thereof.

(b) In addition to the conditions precedent that must be satisfied pursuant to Subsection (a) above, so long as the Previously Issued Bonds dated on or prior to May 1, 2003 remain Outstanding, the condition precedent set forth in subdivision (i) below must be satisfied. Once the Previously Issued Bonds dated on or prior to May 1, 2003 are no longer Outstanding, the condition precedent in subdivision (ii) below must be satisfied.

(i) The City has secured a certificate or opinion of an Accountant to the effect that, according to the books and records of the City, the Revenues for the last completed Fiscal Year, or for 12 consecutive months out of the 18 months, immediately preceding the date of issuance of the Additional Bonds (the date of issuance being the date of delivery of all or a portion of the Additional Bonds to the initial purchasers) are at least equal to (i) 1.00 times the Operating and Maintenance Expenses during such period of review and (ii) 1.10 times the maximum annual Debt Service for all Outstanding Bonds, Outstanding Previously Issued Bonds and any Outstanding Additional Bonds after giving effect to the issuance of the Additional Bonds then being issued. In making a determination of the Revenues, the Accountant may take into consideration a change in the charges for services afforded by the System that became effective at least 60 days prior to the last day of the period for which Revenues are determined and, for purposes of satisfying the above Revenues test, make a pro forma determination of the Revenues of the System for the period of time covered by his certification or opinion based on such change in charges being in effect for the entire period covered by the certificate or opinion of the Accountant.

(ii) The City has secured a certificate or opinion of an Accountant to the effect that, according to the books and records of the City, the Net Revenues for the last completed Fiscal Year, or for 12 consecutive months out of the 18 months immediately preceding the month in which the ordinance authorizing the issuance of the then proposed Additional Bonds is passed, are at least equal to 1.25 times the Average Annual Debt Service for all Outstanding Bonds, Outstanding Previously Issued Bonds and any

Outstanding Additional Bonds after giving effect to the issuance of the Additional Bonds then being issued. In making a determination of the Net Revenues, the Accountant may take into consideration a change in the charges for services afforded by the System that became effective at least 60 days prior to the last day of the period for which Net Revenues are determined and, for purposes of satisfying the above Net Revenues test, make a pro forma determination of the Net Revenues of the System for the period of time covered by his certification or opinion based on such change in charges being in effect for the entire period covered by the certificate or opinion of the Accountant.

Section 9.03 Issuance of Obligations of Inferior Lien and Pledge.

The City hereby reserves the right to issue obligations payable from and secured by a lien on and pledge of the Revenues of the System, junior and subordinate in rank and dignity to the lien and pledge securing the payment of the Bonds and the Previously Issued Bonds, as may be authorized by the laws of the State of Texas.

Section 9.04 Refunding Bonds.

The City reserves the right to issue refunding bonds to refund all or any part of the Bonds and the Previously Issued Bonds (pursuant to any law then available) upon such terms and conditions as the City Council of the City may deem to be in the best interest of the City and its inhabitants, and if less than all of such Bonds and the Previously Issued Bonds then Outstanding are refunded, the conditions precedent prescribed (for the issuance of Additional Bonds) set forth in Section 9.02 hereof shall be satisfied and the certificate or opinion of the Accountant required in Section 9.02 shall give effect to the Debt Service of the proposed refunding bonds (and shall not give effect to the Debt Service on the bonds being refunded following their cancellation or provisions being made for their payment).

Section 9.05 Maintenance and Operation - Insurance.

In regard to the operations and properties of the System, the City agrees to carry and maintain liability and property damage insurance of the kind and in the amounts customarily carried by municipal corporations in Texas on such kind of properties; provided, however, the City, in lieu of and/or in combination with carrying such insurance, may self-insure against all perils and risks by establishing self-insurance reserves. Annually each year, not later than the end of each Fiscal Year, the City shall prepare or cause to be prepared by a person competent and knowledgeable in such matters a written evaluation of the adequacy of such self-insurance and/or insurance coverage and of any recommended changes in regard to the City's insurance/self-insurance policies, practices and procedures.

Section 9.06 Records - Accounts - Accounting Reports.

The City hereby covenants, reaffirms and agrees that so long as any of the Bonds, or any interest thereon, remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the operation of the System separate and apart from all other records and accounts in which complete and correct entries shall be made of all transactions relating to said System, and that the Owner or Owners of any of such Bonds or any duly authorized agent or agents of such Owners shall have the right at all reasonable times to

inspect all such records, accounts and data relating thereto, and to inspect the System and all properties comprising same. The City further agrees that within 60 days following the close of each Fiscal Year it will cause an audit of such books and accounts to be made by an independent firm of Accountants, showing the receipts and disbursements for account of the System for the Fiscal Year.

Each such audit, in addition to whatever other matters may be thought proper by the firm of Accountants, shall particularly include the following:

(a) a detailed statement of the income and expenditures of the System for such Fiscal Year.

(b) A balance sheet as of the end of such Fiscal Year.

(c) The Accountants' comments regarding the manner in which the City has carried out the requirements of this Ordinance and his recommendations for any changes or improvements in the operation, records and accounts of the System.

(d) A list of the insurance policies in force at the end of the Fiscal Year on the System properties, setting out as to each policy the amount thereof, the risk covered, the name of the insurer, and the policy's expiration date.

(e) Until such time as the Previously Issued Bonds dated on or prior to May 1, 2003, are no longer Outstanding, a list of the securities which have been on deposit as security for the money in the interest and sinking fund portion of the Bond Fund throughout the Fiscal Year, a list of the securities, if any, in which the reserve portion has been invested, and a statement of the manner in which money in the System Fund has been secured in such Fiscal Year.

Expenses incurred in making the audits above referred to are to be regarded as maintenance and operating expenses and paid as such. Copies of the aforesaid annual audit shall be furnished to the original purchasers of the Bonds and any subsequent Owner upon written request. At the close of the first six-month period of each Fiscal Year, the City Secretary of the City is hereby directed to furnish a copy of an operating and income statement in reasonable detail covering such period to any bondholder upon written request therefor, received not more than 30 days after the close of said six-month period. Any Owner shall have the right to discuss with the Accountant making the annual audit the contents thereof and to ask for such additional information as he may reasonably require.

Section 9.07 Sale or Lease of Properties.

The City, to the extent and in the manner authorized by law, may sell or exchange for consideration representing the fair value thereof, as determined by the City Council of the City, any property of the System which is obsolete, damaged or worn out or otherwise unsuitable. The proceeds of any sale of properties of the System shall be deposited in the System Fund.

Section 9.08 Satisfaction of Obligation of City.

(a) If the City shall pay or cause to be paid, or there shall otherwise be paid to the Owners, the principal of and interest on the Bonds, at the times and in the manner stipulated in this Ordinance, then the pledge of the Revenues of the System under this Ordinance and all other obligations of the City to the Owners shall thereupon cease, terminate, and become void and be discharged and satisfied.

(b) Bonds or any principal amount thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount thereof at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or any authorized escrow agent, or (ii) noncallable Government Obligations shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Obligations have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the stated maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of moneys or Government Obligations will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as “arbitrage bonds” within the meaning of Section 148 of the Code or regulations adopted pursuant thereto.

(c) Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying Agent/Registrar or any authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the stated maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall, upon the request of the City, be remitted to the City against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to Title 6 of the Texas Property Code.

Section 9.09 Bonds as Negotiable Instruments.

Each of the Bonds shall be deemed and construed to be an “Investment Security” and, as such, a negotiable instrument, within the meaning of Article 8 of the Texas Uniform Commercial Code.

Section 9.10 Special Covenants.

The City further covenants and agrees by and through this Ordinance as follows:

(i) It has the lawful power to pledge the Revenues of the System to the payment of the Bonds to the extent provided herein and has lawfully exercised said power under the Constitution and laws of the State of Texas, including the Act, and that the Bonds issued hereunder, together with the Previously Issued Bonds and any Additional Bonds, shall be ratably secured in such manner that no one bond shall have preference over any other bond of said issues.

(ii) The Revenues of the System have not been in any manner pledged or encumbered to the payment of any debt or obligation of the City or the System, save and except for the Bonds and the Previously Issued Bonds; provided that the City has reserved the right pursuant to Section 9.03 hereof to issue subordinate lien obligations.

(iii) To exercise and pursue with due diligence available remedies provided by law for the collection of delinquent drainage charges, including the power under Section 402.050 of the Act to discontinue all utility services, particularly water and sewer services provided by the City to a user of benefited property who is delinquent in the payment of drainage charges.

Section 9.11 Ordinance a Contract - Amendments.

This Ordinance shall constitute a contract with the Owners from time to time, be binding on the City, and shall not be amended or repealed by the City while any Bond remains Outstanding except as permitted in this Section and Section 11.03(e). The City, may, without the consent of or notice to any Owners, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Owners, to cure any ambiguity, inconsistency, or formal defect or omission herein and to provide additional security for the payment of the Bonds. In addition, the City may, with the written consent from the owners holding a majority in aggregate principal amount of the Bonds then Outstanding (excluding Bonds acquired by or held for the account of the City) affected thereby, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the written consent of all Owners of Bonds then Outstanding, no such amendment, addition, or rescission shall (1) extend the time or times of payment of the Bonds, reduce the principal amount thereof, the redemption price therefor, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (2) give any preference to any Bond over any other Bond, or (3) reduce the aggregate principal amount of Bonds required to be held for consent to any such amendment, addition, or rescission.

Section 9.12 Provisions Concerning Federal Income Tax Exclusion.

The City intends that the interest on the Bonds shall be excludable from gross income for purposes of federal income taxation pursuant to sections 103 and 141 through 150 of the Code and the applicable regulations promulgated thereunder (the "Regulations"). The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, would cause the interest on the Bonds to be includable in the gross income, as defined in section 61 of the Code, of the Owners thereof for purposes of federal income taxation. In particular, the City covenants and agrees to comply with each requirement of Sections 9.12 through 9.19, inclusive; provided, however, that the City shall not be required to

comply with any particular requirement of Sections 9.12 through 9.19, inclusive, if the City has received an opinion of nationally recognized bond counsel (“Counsel’s Opinion”) that such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or if the City has received a Counsel’s Opinion to the effect that compliance with some other requirement set forth in Sections 9.12 through 9.19 will satisfy the applicable requirements of the Code, in which case compliance with such other requirement specified in such Counsel’s Opinion shall constitute compliance with the corresponding requirement specified in such Sections.

Section 9.13 No Private Use or Payment and No Private Loan Financing.

The City shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the proceeds of the Bonds and the Refunded Bonds will not be used in a manner that would cause the Bonds to be “private activity bonds” within the meaning of section 141 of the Code and the Regulations. The City covenants and agrees that it will make such use of the proceeds of the Bonds and the Refunded Bonds, including interest or other investment income derived from Bond proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Bonds will not be “private activity bonds” within the meaning of section 141 of the Code and the Regulations.

Section 9.14 No Federal Guaranty.

The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code and the Regulations, except as permitted by section 149(b)(3) of the Code and the Regulations.

Section 9.15 Bonds are not Hedge Bonds.

The City covenants and agrees not to take any action, or knowingly omit to take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code and the Regulations.

Section 9.16 No Arbitrage Covenant.

The City shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the City will reasonably expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations. Moreover, the City covenants and agrees that it will make such use of the proceeds of the Bonds including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations.

[Section 9.17](#) Arbitrage Rebate.

If the City does not qualify for an exception to the requirements of Section 148(f) of the Code, the City will take all necessary steps to comply with the requirement that certain amounts earned by the City on the investment of the “gross proceeds” of the Bonds (within the meaning of section 148(f)(6)(B) of the Code) be rebated to the federal government. Specifically, the City will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the City allocable to other bond issue of the City or moneys which do not represent gross proceeds of any bonds of the City, (ii) calculate at such times as are required by the Regulations, the amount earned from the investment of the gross proceeds of the Bonds which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the City will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm’s length and had the yield on the issue not been relevant to either party.

[Section 9.18](#) Information Reporting.

The City covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and the Regulations.

[Section 9.19](#) Continuing Obligation.

Notwithstanding any other provision of this Ordinance, the City’s obligations under the covenants and provisions of Section 9.12 through 9.18, inclusive, shall survive the defeasance and discharge of the Bonds.

ARTICLE X

DEFAULT AND REMEDIES

[Section 10.01](#) Remedies in Event of Default.

In addition to all rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City:

- (a) defaults in payments to be made to the Bond Fund or the Reserve Fund as required by this Ordinance; or

(b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Ordinance,

the Owners of any of the Bonds shall be entitled to a writ of mandamus issued by a court of property jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in this Ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy herein provided shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

ARTICLE XI

CONTINUING DISCLOSURE UNDERTAKING

(a) The City shall provide annually to each NRMSIR and to any SID, within six (6) months after the end of each fiscal year, financial information and operating data with respect to the City of the general type included in the final Official Statement, being the information described in Exhibit A hereto. Any financial statements so to be provided shall be (i) prepared in accordance with the accounting principles described in Exhibit A hereto, and (ii) audited, if the City commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the City shall provide notice that audited financial statements are not available and shall provide unaudited financial statements for the applicable fiscal year to each NRMSIR and any SID. Thereafter, when and if audited financial statements become available, the City shall provide such audited financial statements as required to each NRMSIR and to any SID.

(b) If the City changes its fiscal year, it will notify each NRMSIR and any SID of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

(c) The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to each NRMSIR and any SID or filed with the SEC.

Section 11.02 Material Event Notices.

(a) The City shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any of the following events with respect to the Bonds, if such event is material within the meaning of the federal securities laws:

- (i) principal and interest payment delinquencies;
 - (ii) nonpayment related defaults;
 - (iii) unscheduled draws on debt service reserves reflecting financial difficulties;
 - (iv) unscheduled draws on credit enhancements reflecting financial difficulties;
 - (v) substitution of credit or liquidity providers, or their failure to perform;
 - (vi) adverse tax opinions or events affecting the tax exempt status of the Bonds;
 - (vii) modifications to rights of Owners;
 - (viii) Bond calls;
 - (ix) defeasance;
 - (x) release, substitution, or sale of property securing repayment of the Bonds;
- and
- (xi) rating changes.

(b) The City shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with Section 11.01 of this Ordinance by the time required by such Section.

Section 11.03 Limitations, Disclaimers and Amendments.

(a) The City shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the City remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the City in any event will give notice of any deposit made in accordance with Article XI that causes Bonds no longer to be Outstanding.

(b) The provisions of this Article are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(c) No default by the City in observing or performing its obligations under this Article shall comprise a breach of or default under the Ordinance for purposes of any other provisions of this Ordinance.

(d) Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

(e) The provisions of this Article may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (i) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (a) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provisions of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Bonds. If the City so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 11.01 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

(f) Any filing required to be made pursuant to this Article may be made through the facilities of DisclosureUSA or such other central post office as may be approved in writing by the SEC for such purpose. Any such filing made through such central post office will be deemed to have been filed with each NRMSIR and SID or MSRB as if such filing had been made directly to such entity.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 and in an

(d) Each exchange Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond called for redemption, in whole or in part, within 45 calendar days prior to the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.07. Cancellation.

All Bonds paid or redeemed before scheduled maturity in accordance with this Ordinance, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Ordinance, shall be cancelled and proper records shall be made regarding such payment, redemption, exchange or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds in accordance with the Securities Exchange Act of 1934.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; then, upon the presentation and surrender of the Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and shall authenticate and deliver in exchange therefor Bonds of the same maturity and series, in definitive form, in the authorized denomination, and in

the same aggregate principal amount, as the Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10. Book-Entry Only System.

(a) The definitive Bonds shall be initially issued in the form of a separate typewritten fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of such Bonds shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a Bondholder, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a Bondholder, as shown in the Register of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of and interest on the Bonds, for the purpose of all matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective owners, as shown in the Register as provided in this Ordinance, or their respective attorneys or representatives duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(c) The Letter of Representations previously executed and delivered by the City, and applicable to the City's obligations delivered in book-entry-only form to DTC as securities depository, is hereby ratified and approved for the Bonds.

Section 3.11. Successor Securities Depository; Transfer Outside Book-Entry Only System.

In the event that the City or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Letter of Representations of the City to DTC, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the Issuer or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as

amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

Section 3.12. Payments to Cede & Co.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Letter of Representations.

ARTICLE IV

REDEMPTION OF BONDS BEFORE MATURITY

Section 4.01. Limitation on Redemption.

The Bonds shall be subject to redemption before scheduled maturity only as provided in this Article IV.

Section 4.02. Optional Redemption.

(a) The City reserves the option to redeem Bonds maturing on and after September 1, 2019, in whole or any part, before their respective scheduled maturity dates, on March 1, 2018, or on any date thereafter, such redemption date or dates to be fixed by the City, at a price equal to the principal amount of the Bonds called for redemption plus accrued interest to the date fixed for redemption.

(b) If less than all of the Bonds are to be redeemed pursuant to an optional redemption, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity or maturities and in such principal amounts for redemption.

(c) The City, at least 45 days before the redemption date, unless a shorter period shall be satisfactory to the Paying Agent/Registrar, shall notify the Paying Agent/Registrar of such redemption date and of the principal amount of Bonds to be redeemed.

Section 4.03. Partial Redemption.

(a) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. If such a Bond is to be partially redeemed, the Paying Agent/Registrar shall treat each \$5,000 portion of the Bond as though it were a single Bond for purposes of selection for redemption.

(b) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Ordinance, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

(c) The Paying Agent/Registrar shall promptly notify the City in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

Section 4.04. Notice of Redemption to Owners.

(a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed by first-class United States mail, postage prepaid to the address of each Owner of a Bond appearing on the Register at the close of business on the last Business Day next preceding the date of mailing of such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) The City reserves the right to give notice of its election or direction to redeem Bonds under Section 4.02 conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the City retains the right to rescind such notice at any time prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the City to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

(d) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.05. Payment Upon Redemption.

(a) Before or on each redemption date, the City shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date and the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust such amounts as are received by the Paying Agent/Registrar from the City and shall use such funds solely for the purpose of paying the principal of and accrued interest on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

Section 4.06. Effect of Redemption.

(a) Notice of redemption having been given as provided in Section 4.04 of this Ordinance and subject to any conditions or rights reserved by the City under Section 4.04(c), the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption and, unless the City defaults in its obligation to make provision for the payment of the principal thereof or accrued interest thereon, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the City shall fail to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same by the City.

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provided for, and to pay interest on such principal amount from the later of the Bond Date specified above or the most recent interest payment date to which interest has been paid or provided for until payment of such principal amount has been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 1 and September 1 of each year, commencing September 1, 2009.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the designated office in East Syracuse, New York, of The Bank of New York Trust Company, N.A., as Paying Agent/Registrar (the "Designated Payment/Transfer Office"), or, with respect to a successor paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond shall be paid either by (i) by check dated as of the interest payment date, and sent on or before the interest payment date by first-class United States mail, postage prepaid, by the Paying Agent/Registrar to the registered owner at the address of such owner as appears in the registration books of the Paying Agent/Registrar or (ii) by such other customary banking arrangements acceptable to the Paying Agent/Registrar and the person to whom interest is to be paid, provided that the registered owner shall bear all risk and expense of such interest payment method. For the purpose of the payment of interest on this Bond, the registered owner shall be the person in whose name this Bond is registered at the close of business on the "Record Date,"

which shall be the fifteenth day of the month next preceding such interest payment date; provided, however, that in the event of nonpayment of interest on a scheduled payment date and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by first-class United States mail, postage prepaid, to the address of each owner of a Bond appearing in the registration books of the Paying Agent/Registrar at the close of business on the last Business Day next preceding the date of mailing of such notice.

If the date for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, legal holiday, or day on which banking institutions in the city where the Designated Payment/Transfer Office is located are required or authorized by law or executive order to close, the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which banking institutions are required or authorized to close, and payment on such date shall have the same force and effect as if made on the original date payment was due and no additional interest shall be due by reason of nonpayment on the date on which such payment is otherwise stated to be due and payable.

This Bond is one of a series of fully registered bonds specified in the title hereof issued in the aggregate principal amount of [\$37,745,000] (herein referred to as the "Bonds"), issued pursuant to this ordinance (the "Ordinance") for the purpose of providing funds to refund the Refunded Bonds, to make certain permanent public improvements and to pay the costs of issuing the Bonds.

The City has reserved the option to redeem the Bonds maturing on or after September 1, 2019, in whole or in part before their respective scheduled maturity dates, on March 1, 2018, or on any date thereafter, at a price equal to the principal amount of the Bonds so called for redemption plus accrued interest to the date fixed for redemption. If less than all of the Bonds are to be redeemed, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity and in such principal amounts, for redemption.

The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice, not less than 30 days before the date fixed for redemption, to the registered owner of each Bond or portion thereof to be redeemed by first-class United States mail, postage prepaid, at the address shown on the Register. In the Ordinance, the City reserves the right in the case of an optional redemption to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date or (ii) that the City retains the right to rescind such notice at any time prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The

Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected owners. Any Bonds subject to conditional redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the City to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

As provided in the Ordinance, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; then, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond is overdue, and neither the City nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law and has been authorized by a vote of the properly qualified electors of the City; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that ad valorem taxes upon all taxable property in the City have been levied for and pledged to the payment of the debt service requirements of the Bonds, within the limit prescribed by law.

IN WITNESS WHEREOF, the City has caused this Bond to be executed by the manual or facsimile signature of the Mayor of the City and countersigned by the manual or facsimile signature of the City Secretary of the City, and the official seal of the City has been duly impressed or placed in facsimile on this Bond.

INVESTMENTS

Section 8.01. Investments.

(a) Money in the Interest and Sinking Fund created by this Ordinance and the special construction fund for the Project, at the option of the City, may be invested in such securities or obligations as permitted under applicable law. The City's Director of Finance, and any other officer of the City authorized to make investments on behalf of the City, are hereby authorized and directed to execute and deliver, on behalf of the City, any and all investment agreements, guaranteed investment contracts or repurchase agreements in connection with the investment of moneys on deposit in the Interest and Sinking Fund and the special construction fund for the Project, but only to the extent such investment agreements, guaranteed investment contracts or repurchase agreements are authorized investments under applicable law.

(b) Any securities or obligations in which money in either the Interest and Sinking Fund or the special construction fund for the Project is so invested shall be kept and held in trust for the benefit of the Owners and shall be sold and the proceeds of sale shall be timely applied to the making of all payments required to be made from the fund from which the investment was made.

(c) The investment and application of money in the Escrow Fund shall be in accordance with the provisions of the Escrow Agreement.

ARTICLE IX

PARTICULAR REPRESENTATIONS AND COVENANTS

Section 9.01. Payment of the Bonds.

On or before each Interest Payment Date for the Bonds and while any of the Bonds are outstanding and unpaid, there shall be made available to the Paying Agent/Registrar, out of the Interest and Sinking Fund, money sufficient to pay such interest on and principal of the Bonds as will accrue or mature on the applicable Interest Payment Date, maturity date or date of prior redemption.

Section 9.02. Other Representations and Covenants.

(a) The City will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Ordinance and in each Bond; the City will promptly pay or cause to be paid the principal of and interest on each Bond on the dates and at the places and manner prescribed in such Bond; and the City will, at the times and in the manner prescribed by this Ordinance, deposit or cause to be deposited the amounts of money specified by this Ordinance.

(b) The City is duly authorized under the laws of the State of Texas to issue the Bonds; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the City in accordance with their terms.

Section 9.03. Provisions Concerning Federal Income Tax Exclusion.

The City intends that the interest on the Bonds shall be excludable from gross income for purposes of federal income taxation pursuant to sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), and the applicable Income Tax Regulations (the “Regulations”). The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, would cause the interest on the Bonds to be includable in the gross income, as defined in section 61 of the Code, for purposes of federal income tax purposes. In particular, the City covenants and agrees to comply with each requirement of Sections 9.03 through 9.10, inclusive; provided, however, that the City shall not be required to comply with any particular requirement of Sections 9.03 through 9.10, inclusive, if the City has received an opinion of nationally recognized bond counsel (“Counsel’s Opinion”) that such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or if the City has received a Counsel’s Opinion to the effect that compliance with some other requirement set forth in Sections 9.03 through 9.10, inclusive, will satisfy the applicable requirements of the Code and the Regulations, in which case compliance with such other requirement specified in such Counsel’s Opinion shall constitute compliance with the corresponding requirement specified in Sections 9.03 through 9.10, inclusive.

Section 9.04. No Private Use or Payment and No Private Loan Financing.

The City shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, and that the proceeds of the Refunded Bonds have not been used and that that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “private activity bonds” within the meaning of section 141 of the Code and the Regulations promulgated thereunder. Moreover the City covenants and agrees that it will make such use of the proceeds of the Refunded Bonds and the Bonds, including interest or other investment income derived from Bond proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Bonds will not be “private activity bonds” within the meaning of section 141 of the Code and the Regulations and the Regulations promulgated thereunder.

Section 9.05. No Federal Guarantee.

The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code and the applicable Regulations thereunder, except as permitted by section 149(b)(3) of the Code and such Regulations.

Section 9.06. No Hedge Bonds.

The City covenants and agrees not to take any action, or knowingly omit to take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code and the applicable Regulations thereunder.

Section 9.07. No-Arbitrage Covenant.

The City shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the City will reasonably expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder. Moreover, the City covenants and agrees that it will make such use of the proceeds of the Bonds including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder.

Section 9.08. Arbitrage Rebate.

If the City does not qualify for an exception to the requirements of Section 148(f) of the Code, the City will take all necessary steps to comply with the requirement that certain amounts earned by the City on the investment of the “gross proceeds” of the Bonds (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the City will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the City allocable to other bond issues of the City or moneys which do not represent gross proceeds of any bonds of the City, (ii) calculate at such times as are required by the Regulations, the amount earned from the investment of the gross proceeds of the Bonds which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the City will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a

larger loss than would have resulted if the arrangement had been at arm's length and had the yield on the issue not been relevant to either party.

Section 9.09. Information Reporting.

The City covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and the applicable Regulations promulgated thereunder.

Section 9.10. Continuing Obligation.

Notwithstanding any other provision of this Ordinance, the City's obligations under the covenants and provisions of Sections 9.03 through 9.09, inclusive, shall survive the defeasance and discharge of the Bonds.

ARTICLE X

DEFAULT AND REMEDIES

Section 10.01. Events of Default.

Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an Event of Default:

- (i) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable; or
- (ii) default in the performance or observance of any other covenant, agreement or obligation of the City, which default materially and adversely affects the rights of the Owners, including but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of 60 days after notice of such default is given by any Owner to the City.

Section 10.02. Remedies for Default.

(a) Upon the happening of any Event of Default, then any Owner or an authorized representative thereof, including but not limited to, a trustee or trustees therefor, may proceed against the City for the purpose of protecting and enforcing the rights of the Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 10.03. Remedies Not Exclusive.

(a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

ARTICLE XI

DISCHARGE

Section 11.01. Discharge.

The Bonds may be defeased, discharged or refunded in any manner permitted by applicable law.

ARTICLE XII

(c) Except as provided below, no Note shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Ordinance unless and until there appears thereon the Note of Paying Agent/Registrar substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Note of Paying Agent/Registrar on all of the Notes. In lieu of the executed Note of Paying Agent/Registrar described above, the Initial Note delivered at the Closing Date shall have attached thereto the Comptroller's Registration Note substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by his duly authorized agent, which Note shall be evidence that the Note has been duly approved by the Attorney General of the State of Texas and that it is a valid and binding obligation of the City, and has been registered by the Comptroller of Public Accounts of the State of Texas.

(b) All payments made to the Owner of a Note shall be valid and effectual and shall discharge the liability of the City and the Paying Agent/Registrar upon such Note to the extent of the sums paid.

Section 3.06. Registration, Transfer and Exchange.

(a) So long as any Notes remain outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Notes in accordance with this Ordinance.

(b) The ownership of a Note may be transferred only upon the presentation and surrender of the Note at the Designated Payment/Transfer Office with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Note shall be effective until entered in the Register.

(c) The Notes shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office for a Note or Notes of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 and in an aggregate principal amount equal to the unpaid principal amount of the Notes presented for exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Notes exchanged for other Notes in accordance with this Section.

(d) Each exchange Note delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Note or Notes in lieu of which such exchange Note is delivered.

(e) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different denomination of any of the Notes. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Note.

Section 3.07. Cancellation.

All Notes in lieu of which exchange Notes or replacement Notes are authenticated and delivered in accordance with this Ordinance, shall be cancelled and proper records shall be made regarding such payment, exchange or replacement. The Paying Agent/Registrar shall dispose of cancelled Notes in accordance with the Securities Exchange Act of 1934.

Section 3.08. Temporary Notes.

(a) Following the delivery and registration of the Initial Note and pending the preparation of definitive Notes, the proper officers of the City may execute and, upon the City's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Notes that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Notes in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Notes may determine, as evidenced by their signing of such temporary Notes.

(b) Until exchanged for Notes in definitive form, such Notes in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Notes in definitive form; then, upon the presentation and surrender of the Notes in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Notes in temporary form and shall authenticate and deliver in exchange therefor Notes

of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Notes in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09. Replacement Notes.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Note, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Note of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Note to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Note is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Note has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Note of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Note;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Note, a bona fide purchaser of the original Note in lieu of which such replacement Note was issued presents for payment such original Note, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Note from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Note has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Note, may pay such Note if it has become due and payable or may pay such Note when it becomes due and payable.

(e) Each replacement Note delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and

security of this Ordinance to the same extent as the Note or Notes in lieu of which such replacement Note is delivered.

Section 3.10. Book-Entry Only System.

(a) The definitive Notes shall be initially issued in the form of a separate typewritten fully registered Note for each of the maturities thereof. Upon initial issuance, the ownership of such Notes shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Notes shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Notes registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Notes. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Notes, (ii) the delivery to any DTC Participant or any other person, other than a Noteholder, as shown on the Register, of any notice with respect to the Notes, or (iii) the payment to any DTC Participant or any other person, other than a Noteholder, as shown in the Register of any amount with respect to principal of or interest on the Notes. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Note is registered in the Register as the absolute owner of such Note for the purpose of payment of principal of and interest on the Notes, for the purpose of all matters with respect to such Note, for the purpose of registering transfer with respect to such Note, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Notes only to or upon the order of the respective owners, as shown in the Register as provided in this Ordinance, or their respective attorneys or representatives duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of and interest on the Notes to the extent of the sum or sums so paid. No person other than an owner, as shown in the Register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(c) The Letter of Representations previously executed and delivered by the City, and applicable to the City's obligations delivered in book-entry-only form to DTC as securities depository, is hereby ratified and approved for the Notes.

Section 3.11. Successor Securities Depository; Transfer Outside Book-Entry Only System.

In the event that the City or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Letter of Representations of the City to DTC, and that it is in the best interest of the beneficial owners of the Notes that they be

able to obtain certificated Notes, or in the event DTC discontinues the services described herein, the Issuer or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Notes to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Notes and transfer one or more separate Notes to DTC Participants having Notes credited to their DTC accounts. In such event, the Notes shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Notes shall designate, in accordance with the provisions of this Ordinance.

Section 3.12. Payments to Cede & Co.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Notes are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Notes, and all notices with respect to such Notes, shall be made and given, respectively, in the manner provided in the Letter of Representations.

PARTICULAR REPRESENTATIONS AND COVENANTS

Section 9.01. Payment of the Notes.

On or before each Interest Payment Date for the Notes and while any of the Notes are outstanding and unpaid, there shall be made available to the Paying Agent/Registrar, out of the Interest and Sinking Fund, money sufficient to pay such interest on and principal of the Notes as will accrue or mature on the applicable Interest Payment Date or maturity date.

Section 9.02. Other Representations and Covenants.

(a) The City will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Ordinance and in each Note; the City will promptly pay or cause to be paid the principal of and interest on each Note on the dates and at the places and manner prescribed in such Note; and the City will, at the times and in the manner prescribed

by this Ordinance, deposit or cause to be deposited the amounts of money specified by this Ordinance.

(b) The City is duly authorized under the laws of the State of Texas to issue the Notes; all action on its part for the creation and issuance of the Notes has been duly and effectively taken; and the Notes in the hands of the Owners thereof are and will be valid and enforceable obligations of the City in accordance with their terms.

Section 9.03. Provisions Concerning Federal Income Tax Exclusion.

The City intends that the interest on the Notes shall be excludable from gross income for purposes of federal income taxation pursuant to sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), and the applicable Income Tax Regulations (the “Regulations”). The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, would cause the interest on the Notes to be includable in the gross income, as defined in section 61 of the Code, for purposes of federal income tax purposes. In particular, the City covenants and agrees to comply with each requirement of Sections 9.03 through 9.10, inclusive; provided, however, that the City shall not be required to comply with any particular requirement of Sections 9.03 through 9.10, inclusive, if the City has received an opinion of nationally recognized bond counsel (“Counsel’s Opinion”) that such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Notes or if the City has received a Counsel’s Opinion to the effect that compliance with some other requirement set forth in Sections 9.03 through 9.10, inclusive, will satisfy the applicable requirements of the Code and the Regulations, in which case compliance with such other requirement specified in such Counsel’s Opinion shall constitute compliance with the corresponding requirement specified in Sections 9.03 through 9.10, inclusive.

Section 9.04. No Private Use or Payment and No Private Loan Financing.

The City shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Notes are delivered, that the proceeds of the Notes will not be used in a manner that would cause the Notes to be “private activity bonds” within the meaning of section 141 of the Code and the Regulations promulgated thereunder. Moreover the City covenants and agrees that it will make such use of the proceeds of the Notes, including interest or other investment income derived from Note proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Notes will not be “private activity bonds” within the meaning of section 141 of the Code and the Regulations and the Regulations promulgated thereunder.

Section 9.05. No Federal Guarantee.

The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Notes to be “federally guaranteed” within the meaning of section 149(b) of the Code and the applicable

Regulations thereunder, except as permitted by section 149(b)(3) of the Code and such Regulations.

Section 9.06. No Hedge Bonds.

The City covenants and agrees not to take any action, or knowingly omit to take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Notes to be “hedge bonds” within the meaning of section 149(g) of the Code and the applicable Regulations thereunder.

Section 9.07. No-Arbitrage Covenant.

The City shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Notes are delivered, the City will reasonably expect that the proceeds of the Notes will not be used in a manner that would cause the Notes to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder. Moreover, the City covenants and agrees that it will make such use of the proceeds of the Notes including interest or other investment income derived from Note proceeds, regulate investments of proceeds of the Notes, and take such other and further action as may be required so that the Notes will not be “arbitrage bonds” within the meaning of section 148(a) of the Code and the applicable Regulations promulgated thereunder.

Section 9.08. Arbitrage Rebate.

If the City does not qualify for an exception to the requirements of Section 148(f) of the Code, the City will take all necessary steps to comply with the requirement that certain amounts earned by the City on the investment of the “gross proceeds” of the Notes (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the City will (i) maintain records regarding the investment of the gross proceeds of the Notes as may be required to calculate the amount earned on the investment of the gross proceeds of the Notes separately from records of amounts on deposit in the funds and accounts of the City allocable to other bond issues of the City or moneys which do not represent gross proceeds of any bonds of the City, (ii) calculate at such times as are required by the Regulations, the amount earned from the investment of the gross proceeds of the Notes which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Notes or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the City will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Notes that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm’s length and had the yield on the issue not been relevant to either party.

[Section 9.09. Information Reporting.](#)

The City covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Notes are issued, an information statement concerning the Notes, all under and in accordance with section 149(e) of the Code and the applicable Regulations promulgated thereunder.

[Section 9.10. Continuing Obligation.](#)

Notwithstanding any other provision of this Ordinance, the City's obligations under the covenants and provisions of Sections 9.03 through 9.09, inclusive, shall survive the defeasance and discharge of the Notes.

ARTICLE X

Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an Event of Default:

- (i) the failure to make payment of the principal of or interest on any of the Notes when the same becomes due and payable; or

[Section 10.02. Remedies for Default.](#)

(a) Upon the happening of any Event of Default, then any Owner or an authorized representative thereof, including but not limited to, a trustee or trustees therefor, may proceed against the City for the purpose of protecting and enforcing the rights of the Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Notes then outstanding.

Section 10.03. Remedies Not Exclusive.

(a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Notes or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Notes shall not be available as a remedy under this Ordinance.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

ARTICLE XI

DISCHARGE

Section 11.01. Discharge.

The Notes may be defeased, discharged or refunded in any manner permitted by applicable law.

ARTICLE XII

CONTINUING DISCLOSURE UNDERTAKING

Section 12.01. Annual Reports.

(a) The City shall provide annually to each NRMSIR and to any SID, within six (6) months after the end of each fiscal year, financial information and operating data with respect to the City of the general type included in the final Official Statement, being the information described in Exhibit A hereto. Any financial statements so to be provided shall be (i) prepared in accordance with the accounting principles described in Exhibit A hereto, and (ii) audited, if the City commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the City shall provide notice that audited financial statements are not available and shall provide unaudited financial statements for the applicable fiscal year to each NRMSIR and any SID. (c) The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is

(d) Any filing required to be made pursuant to this Article may be made through the facilities of DisclosureUSA or such other central post office as may be approved in writing by the SEC for such purpose. Any such filing made through such central post office will be deemed to have been filed with each NRMSIR and SID or MSRB as if such filing had been made directly to such entity.

Section 12.02. Material Event Notices.

(a) The City shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any of the following events with respect to the Notes, if such event is material within the meaning of the federal securities laws:

 - (x) release, substitution, or sale of property securing repayment of the Notes;
- and
- (xi) rating changes.

(b) The City shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with Section 12.01 of this Ordinance by the time required by such Section.

Section 12.03. Limitations, Disclaimers and Amendments.

(a) The City shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the City remains an “obligated person” with respect to the Notes within the meaning of the Rule, except that the City in any event will give

notice of any deposit made in accordance with Article XI that causes Notes no longer to be Outstanding.

(b) The provisions of this Article are for the sole benefit of the Owners and beneficial owners of the Notes, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Notes at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY NOTE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS ARTICLE, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(c) No default by the City in observing or performing its obligations under this Article shall comprise a breach of or default under the Ordinance for purposes of any other provisions of this Ordinance.

(d) Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

(e) The provisions of this Article may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (i) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Notes in the primary offering of the Notes in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (a) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provisions of this Ordinance that authorizes such an amendment) of the Outstanding Notes consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Notes. If the City so amends the provisions of this Article, it shall include with any amended financial information or operating data next provided in accordance with Section 12.01 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

ARTICLE XIII

The City may, without consent of or notice to any Owners, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Owners, including the curing of any ambiguity, inconsistency, or formal defect or omission herein. In addition, the City may, with the written consent of the Owners of the Notes holding a majority in aggregate principal amount of the Notes then outstanding, amend, add to, or rescind any of the provisions of this Ordinance; provided that, without the consent of all Owners of outstanding Notes, no such amendment, addition, or rescission shall (i) extend the time or times of payment of the principal of and interest on the Notes, reduce the principal amount thereof, or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Notes, (ii) give any preference to any Note over any other Note, or (iii) reduce the aggregate principal amount of Notes required to be held by Owners for consent to any such amendment, addition, or rescission.

Section 13.02. Attorney General Modification.

In order to obtain the approval of the Notes by the Attorney General of the State of Texas, any provision of this Ordinance may be modified, altered or amended after the date of its adoption if required by the Attorney General in connection with the Attorney General's examination as to the legality of the Notes and approval thereof in accordance with the applicable law. Such changes, if any, shall be provided to the City Secretary of the City and the City Secretary of the City shall insert such changes into this Ordinance as if approved on the date hereof.
