PLANNING & ZONING COMMISSION  
PUBLIC HEARING PROCEDURES**

**The Planning & Zoning Commission welcomes your thoughts and comments on these agenda items. The commission does ask, however, that if you wish to speak on an item you:**

1. **Fill out a speaker card.** This helps the commission know how many people wish to speak for or against an item, and helps in recording the minutes of the meeting. **However, even if you do not fill out a card, you may still speak.** Please give the card to the secretary at the right-hand side of the podium before the meeting begins.
2. **Limit your comments to new issues dealing directly with the case or item.** Please try not to repeat the comments of other speakers.
3. **Limit your speaking time so that others may also have a turn.** If you are part of a group or homeowners association, it is best to choose one representative to present the views of your group. The commission's adopted rules on speaker times are as follows:

- 15 minutes for the applicant - After the public hearing is opened, the Chair of the Planning & Zoning Commission will ask the applicant to speak first.
- 3 minutes each for all other speakers, up to a maximum of 45 minutes. Individual speakers may yield their time to a homeowner association or other group representative, up to a maximum of 15 minutes of speaking time.

If you are a group representative and other speakers have yielded their 3 minutes to you, please present their speaker cards along with yours to the secretary.

- 5 minutes for applicant rebuttal.
- Other time limits may be set by the Chairman.

**The commission values your testimony and appreciates your compliance with these guidelines.**
