

# PLANO'S BEST PAW FORWARD

## BROUGHT TO YOU BY PAWSITIVE U

Plano's Best Paw Forward is designed to give owners and dogs a head start on training. Through positive reinforcement training, owners will teach their dogs a different behavior each week, such as 'sit', 'lie down', etc. The trainer will also cover some common issues that many owners struggle with. Owners must show proof that their dog is current on vaccinations (Rabies, DHPP, and Bordatella), and owners of puppies under eight months of age must show proof of two sets of puppy vaccinations and a negative fecal exam. Free play will not be allowed during class and aggressive dogs will not be tolerated for the safety of all humans and animals involved. Owners must be 14 years and older, and those under the age of 18 must be accompanied by a parent or legal guardian. **DO NOT BRING YOUR DOG TO THE FIRST CLASS.**
