

YARDWISE REBATE APPLICATION

As part of the continuing Live Green in Plano initiative, the City of Plano is pleased to offer a YardWise Landscape Rebate. The rebate rewards residents who beautify their home landscapes while reducing their water consumption. Up to \$200 is available to the first 250 Plano residents who:

- Attend all four YardWise education classes.
- Complete and submit a rebate application.
- Submit photos of the landscape before and after the YardWise conversion and
- Submit copies of receipts for plant materials used in the converted landscape.

Please submit completed application, photographs and receipts to:
