

ADOPT A TREE AGREEMENT

WHAT'S INVOLVED IN BECOMING THE PROUD NEW PARENT OF A PARK TREE?

The Project

The **Plano Parks Foundation** offers citizens and organizations an opportunity to assist in beautifying a portion of **Russell Creek Park**, located on the south side of **McDermott Road** between **Independence Parkway** and **Coit Road**. With your efforts, **Adopt-A-Tree** can be successful!

The Reason

Adopt-A-Tree is a great way to show your community spirit and also recognize, honor, or remember an individual, group, or organization.

The Agreement

The adopter must fill out and return the attached **Adopt-A-Tree** agreement form along with a tax deductible contribution for one or more trees shown on the reverse side. Your tree(s) will be planted at **Russell Creek Park** and maintained by the **City of Plano**.

The Recognition

The **Plano Parks Foundation** will place a **9" x 4"** personalized bronze plaque at the base of your tree in recognition of your contribution. Your tree and plaque will be maintained by the **City of Plano Parks Department**.

For more information about the **Adopt-A-Tree Program**, call the **Plano Parks Foundation** at **972-941-7250**.
