Esparza Earns Reaccreditation as Chief Fire Officer

City of Plano Fire Chief Hugo Esparza has successfully completed the process to be re-accredited as Chief Fire Officer. The rigorous process occurs every three years to evaluate seven major areas considered core competencies a chief officer should possess to be an effective leader in the fire department, community and fire service industry. Chief Esparza began his service with Plano last November. Prior to then, he had served as an Assistant Fire Chief for the City of Fort Worth.
