## **Plano Fire Department Receives \$23,000 Grant**

### ***Equipment Demonstration Follows Check Presentation***

Firemen's Fund Insurance Company and CRC Insurance Services will present the Plano Fire Department with a Firemen's Fund Heritage grant in the amount of \$23,000 on Tuesday, August 12 at 2:00 pm at the Plano Fire Administration Building.

Since 2004 Firemen's Fund Insurance has awarded millions of dollars in grants to fire departments across the country. The Plano Fire Department has identified various uses for the grant funds including the purchase of a swift water rescue boat, special smoke alarms for the deaf, and specialized reflective safety vests for personnel.

A demonstration of the special smoke alarms for the deaf and the swift water rescue boat will follow the check presentation.
