Plano's District 4 Neighborhood Roundtable Scheduled for Sept. 10

On Thursday, Sept. 10, the Plano Mayor and City Council will meet with District 4 residents in a Neighborhood Roundtable discussion. The two-hour meeting begins at 7 p.m. at the Plano Sports Authority StarCenter, 6500 Preston Meadow.

The evening's agenda will include:

- FY 2009-2010 Budget Presentation
- FY 2009-2010 Community Investment Program (CIP) Presentation
- CIP Projects – District 4
- Street Repairs/Improvements/Resurfacing – District 4
- Question & Answer period

The Council will receive public comment and inquiry on items of interest not posted on the current agenda. Council and staff may respond to those items with only factual information or recitation of existing policy related to the inquiry or comment. No deliberation on matters brought forward can occur because those items have not been posted; however, the Council may decide to place the items on a future agenda. The Mayor may limit the speaking time in order to provide sufficient time for all inquiries.

Neighborhood Roundtables are part of an ongoing outreach program to present information and answer questions regarding city services and programs. It is a working meeting where citizens help the City explore solutions to district concerns. Though the meeting is focused on District 4, all Plano residents are welcome to participate. Light refreshments will be served.

Residents in the Council District 4 area will receive a special postcard invitation. The District 4 area is bound on the north by Spring Creek Parkway; on the south by the City's limit; on the east by Alma Drive; and on the west by Coit Road (from Spring Creek Parkway to Parker Road) and Ohio Drive (from Parker Road to the City's southern limit). A map with all the districts is available at www.plano.gov under Departments and Community Outreach.

Neighborhood Roundtables are held quarterly and rotated through Plano's four districts to provide an opportunity for citizens to meet with Council members in the convenience of their home neighborhood. For more information call (972) 941-7747.
