Neighborhood Roundtables are part of an ongoing outreach program to present information and answer questions regarding city services and programs. It is a working meeting where citizens help the City explore solutions to district concerns. Though the meeting is focused on District 1, all Plano residents are welcome to participate. Light refreshments will be served.

The District 1 area is bound by the City's limit on the north, the City's limit on the south and the City's limit on the east. The western boundary is at Alma Drive. A map with all the districts is available at www.plano.gov/outreach under Council Roundtable. While on this Web page, residents can sign up to receive custom e-mail notification of roundtable meetings, district specific information, and other city activities and events that fit their interests.

Neighborhood Roundtables are held quarterly and rotated through Plano's four districts to provide an opportunity for citizens to meet with Council members in the convenience of their home neighborhood. For more information call (972) 941-7747.
