Faith-Based GREEN Workshops: Registration Deadline Nears

The City of Plano is offering a workshop for Faith-Based Green Teams about reducing waste and recycling options for area congregations. The workshop is from 7 to 8 p.m. on Tuesday, May 18 in the training room located at Parkway Service Center, 4120 W. Plano Parkway in Plano.

Participants must pre-register for the workshop by Thursday, May 13 by contacting Deb Bliss at (972) 769-4313 or debb@plano.gov. This is the second in a series of workshops developed for faith-based communities that teaches how to apply green living principles within their facilities.

The Workshop for Faith-Based Green Teams will teach methods to get congregations involved in reducing waste, introduce recycling options for faith-based communities and share success stories from two local mid-sized churches. Green living and sustainable business practices save the environment and save money.

For more information, contact Deb Bliss at (972) 769-4313 or debb@plano.gov.
