## City Conducts Workshop to Explore 12<sup>th</sup> Street DART Rail Station

The City of Plano will host a workshop to discuss a proposed new DART rail station on the future Cotton Belt line. The workshop begins at 1 p.m. on Wednesday, Sept. 8, 2010 in the Courtyard Theater, 1509 H Avenue. The station would be located south of Downtown Plano at the junction of the DART Red Line and the Cotton Belt line at 12<sup>th</sup> Street and K Avenue. The workshop discussion is open to area residents, business owners and public officials. Together they will discuss strategies to increase ridership on both rail lines, preserve and enhance surrounding neighborhoods, and increase real estate investment and property values.

The workshop will be conducted as a team effort of the North Texas District Council of the Urban Land Institute, Space Between Design Studio and the City of Plano.
