**(4) Parking Regulations**

In addition to the requirements in Section 3.1100, the following requirements shall apply:

- (a)** Off-street parking for any residential use permitted in the district shall be 1.5 spaces for each dwelling unit. The minimum parking requirements for any other use requiring the approval of a site plan shall be as established on the site plan. (ZC 98-15)
- (b)** Any off-street parking requirements may be provided offsite even if such sites are nonadjacent or noncontiguous or within a different zoning district, provided that binding agreements exist which will ensure the availability of such off-street parking for the reasonable useful life of the building or project to be built on the site. Such off-street parking shall be located within 600 feet of the site, measured as the shortest possible distance in a straight line from the closest property line of the site to the closest point on the parking structure or lot.
- (c)** Up to 50% of the off-street parking requirements for any general office and/or manufacturing, processing, or repair use may be satisfied without site plan approval by utilizing “parking space, small car” as defined in Section 3.1100.

**(5) Special District Requirements****(a) Miscellaneous**

- (i)** District requires a minimum contiguous area of 100 acres.
- (ii)** The City Council, at the time of granting CB-1 district zoning to any tract of land, shall have the authority to modify the district requirements and may require additional standards deemed necessary to create a reasonable transition to, and protection of, adjacent property and public areas including, but not limited to, light and air orientation, type and manner of construction, setbacks, lighting, landscaping, management associations, open space, and screening.
- (iii)** The City Council, at the time of granting CB-1 district zoning to any tract of land, shall have the authority to limit multifamily uses to certain designated locations within such tract and to limit the number of multifamily units to be built on such designated locations.
- (iv)** A general phasing plan for the total development of the property shall be approved at the time of land study approval.
- (v)** The general allocation of permitted density levels of development on the various sections of the property shall be approved at the time of land study approval.
- (vi)** Site plan approval in accordance with Article 5 shall be required for development of property.
- (vii)** For gasoline service stations, canopies shall be considered as an accessory structure and should be included in all calculations of lot coverage. (A maximum 30% of the lot may be covered by the primary and/or accessory structures.)

**(b) Overall Density Restriction**

The City Council, at the time of granting CB-1 district zoning to any tract of land, may impose an overall density requirement on such tract.

**(c) Location of Uses**

- (i)** No radio, television, or microwave tower shall be located within a distance from any residential structure equal to at least the height of such tower. No residential structure shall be located within a distance from any radio, television, or microwave tower equal to at least the height of such tower. Such distance shall be measured as the shortest possible distance in a straight line from the closest point of the tower to the closest point of the residential structure.
- (ii)** No radio, television, or microwave tower shall be located within a distance equal to at least the height of such tower from any area zoned residential by the City of Plano or shown as residential on the then existing Land Use Plan of the City of Plano. Such distance shall be measured as the shortest possible distance in a straight line from the closest point of the tower to the closest point of such area.
- (iii)** Notwithstanding the foregoing such uses may be located in closer proximity by specific use permit.

**(6) Special Rules for CE and CB-I Zoning**

- (a)** On the portion of the property zoned CE, a maximum of 2,500 multifamily dwelling units shall be permitted by right within an area within 2,500 feet of the centerline of White Rock Creek and within the Plano Independent School District. Units not built within this area may be transferred to the CB-1 district as noted below. Additional multifamily dwelling units may be permitted within such area, and multifamily dwelling units may be permitted in any other location on the portion of the property zoned CE by specific use permit. (ZC 98-15)
- (b)** On the portion of the property zoned CB-1, a maximum of 2,300 multifamily dwelling units shall be permitted by right. However, additional units may be allowed by right through transfer of unused units in the White Rock Creek area as noted above. Additional multifamily dwelling units may be permitted on the portion of the property zoned CB-1 by specific use permit. (ZC 05-50; Ordinance No. 2006-2-29)
- (c)** A maximum of 65% non-permeable surface shall be permitted in the White Rock Creek and Indian Creek drainage basins. This restriction shall apply only to property zoned CE and not to any property zoned CB-1. This shall be an aggregate limitation only, applying to the property within each drainage basin as a whole and not to any individual lot or tract therein.
- (d)** Sites for fire stations, police stations, schools, water towers, and reservoirs shall be provided at such time, if ever, as such sites are determined to be necessary.
- (e)** Electrical and/or communication utility lines shall be installed underground in compliance with utility service regulations as development or redevelopment occurs along all roadways (Type C or above). Exceptions to the above requirements are: (ZC 98-66; Ordinance No. 98-9-22)

- (i)** Overhead placement is permitted along the southern right-of-way boundary of S.H. 121 and along the outside lanes of the Dallas North Tollway frontage roads for electrical distribution and communications lines sharing the same support structures. Single-post concrete and/or steel support structures are required. (ZC 98-66; Ordinance No. 98-9-22)
- (ii)** Existing overhead facilities, over 60,000 volts in capacity, which follow existing routes, rights-of-way, and/or easements may remain and may be repaired, replaced or upgraded. (ZC 98-66; Ordinance No. 98-9-11)

**Disclaimer** - Uses listed by zoning district are provided as a convenience but should not be relied upon as the most current and accurate source of information. Please contact the City of Plano Planning Department to verify a specific use.
