The meeting started at 7pm and ended at approximately 8:20pm. The Neighborhood Planning Team discussed the following:

- **Stratford Estates Neighborhood Action Plan**

- The group made minor corrections to the document and a draft for the history section of the document was submitted. Document development will continue for the next 2-3 weeks. A final draft will be sent via e-mail before it is printed for the P&Z Commissioners and City Council.
- The group also discussed the possibility of distributing the document (once it has been adopted by City Council) electronically. A letter will be mailed to all persons listed in the acknowledgements section of the action plan and an option will be given to project participants to request a print copy via mail. The group was informed that all print copies will most likely be in black and white (except for the cover). Therefore, to save time and money, the group suggested electronic distribution of the document.

- **Sign Topper**

- Design and Font was chosen on June 16 (pictured right).
- Colors were discussed but a decision has not been made at this time.
- Bill Sherwood will design toppers with the proposed colors (two shades of brown - chocolate and khaki) and send them out soon. Look for e-mails to vote on the colors!
- The voting process should be completed in 1 week
- **Tentative deadline JUNE 27!**

- **July 17 Meeting**

- We will meet on July 17 at 7pm at Haggard Library in the Program Room. We will meet to begin drafting the bylaws for the Stratford Estates Neighborhood Association. Please view the [Guide to Forming Neighborhood Associations](#) for an explanation of how we will execute this process.
