

## Weather-related Information

### Rain or Shine:

City of Plano concerts at *The Amphitheater at Oak Point Park* occur rain or shine.

The Amphitheater is an outdoor venue and is susceptible to all “Mother Nature” has to offer, including sun, rain, wind, etc. Accordingly, we encourage all patrons, vendors and event staff to check weather conditions prior to leaving for the concert, and invite everyone to bring appropriate clothing and gear.

### Weather Delays:

If bad weather arrives to the area during the concert, a short delay may be imposed to allow weather to clear. The concert will resume ASAP.

### Cancellation:

Concerts occur rain or shine. However, Plano Stages staff may cancel the concert if localized lightning or damaging wind/precipitation directly threatens the safety of patrons, performers and/or City resources. In such cases, the following scenarios may apply:

- if the concert is canceled prior to opening the box office, the City will credit the ticket toward a future Plano Stages event.
- If the concert is canceled after 9pm, the show will be deemed complete, and no refund or crediting will occur.

### Contact:

For questions or comments, please contact Michelle Burdeaux or Ron Smith of Plano Stages at 972-941-5611.
