ROBBERY

On February 5, 2007 at approximately 5:45 a.m., a robbery occurred at Data Delivery Services in the 5000 block of West Park Boulevard. Two black males entered the business through an employee entrance and an employee observing the subjects inside the business was told to get on the floor and not look at the suspects.

One suspect was described as a black male, approximately 5'9", 160 lbs., wearing a full mask with openings for the eyes and mouth, and a dark blue jump suit. The other suspect was also described as a black male, 5'9", 170 lbs., wearing a solid blue bandana covering his face with an unknown item covering his head, and also wearing a dark blue jump suit.

The suspects removed a flat screen plasma television, a computer monitor, and damaged a second plasma television as they were unable to remove it. The suspects then fled the scene in an unknown direction of travel. A vehicle was not observed by the witness at the location.

This investigation is currently on-going.
