Incident: MEDIA RELEASE

IMPROPER VIDEO RECORDING

The Plano Police Department is investigating an offense which occurred at the City of Plano's Oak Point Recreation Center, located at 6000 Jupiter Road.

In this offense, a recording device disguised to look like a typical bathroom air freshener was attached to the wall in a family changing area, to surreptitiously record individuals in the changing room.

The attached photographs are of a person who the Plano Police Department is attempting to identify. He is described as a white male, 30-40 years old, 5'8"-6'0" tall with a medium build. He has short brown hair with sideburns and a bald spot on the crown of his head. Also attached is a photograph of the recording device that was placed inside the family changing area.

The Plano Police Department is asking for the public's help in identifying the subject in this incident. If you have any information regarding this offense or the location of the individual in the photographs, please immediately call the Plano Police Department Tip Line at 972-941-2148 or the Crime Stoppers Tip Line at 877-373-8477.

"Professionalism - Integrity - Progress"

As technology evolves and costs for recording devices decreases, covert video cameras such as the one depicted become more readily available. The Plano Police Department would like to encourage citizens to be aware of these types of devices and report anything suspicious to Law Enforcement.

This investigation is currently on-going.
