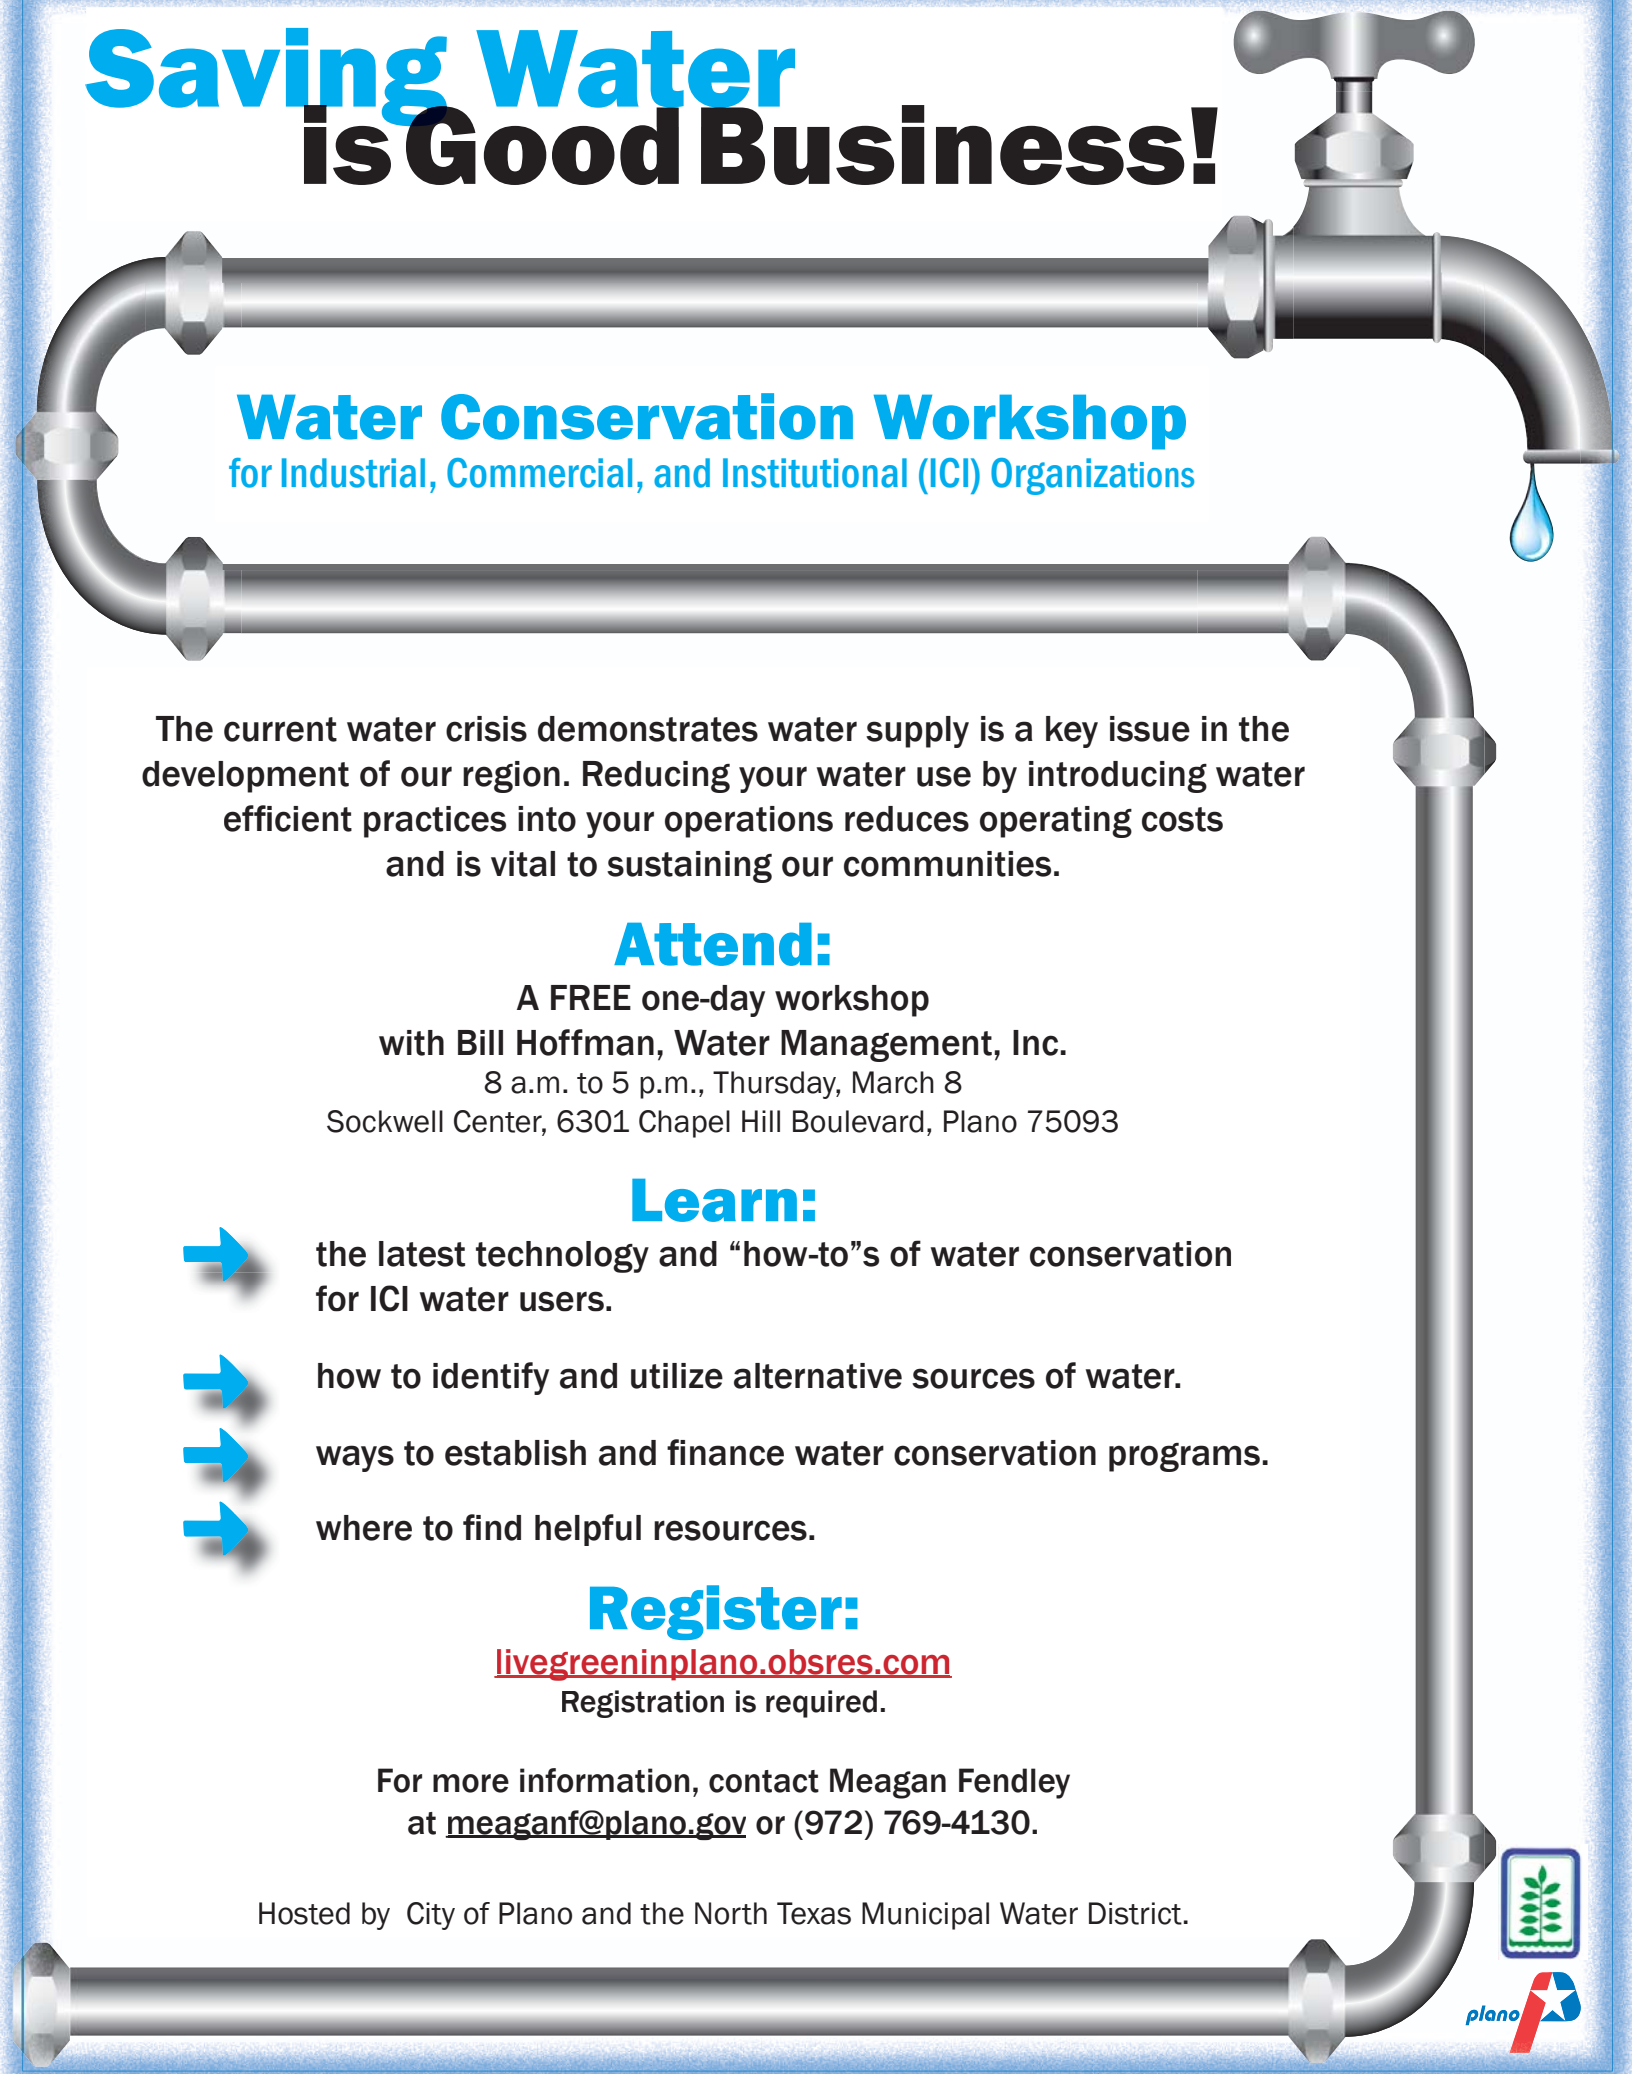
Saving Water is Good Business!



Water Conservation Workshop

for Industrial, Commercial, and Institutional (ICI) Organizations

The current water crisis demonstrates water supply is a key issue in the development of our region. Reducing your water use by introducing water efficient practices into your operations reduces operating costs and is vital to sustaining our communities.

Attend:

A FREE one-day workshop
with Bill Hoffman, Water Management, Inc.
8 a.m. to 5 p.m., Thursday, March 8
Sockwell Center, 6301 Chapel Hill Boulevard, Plano 75093

Learn:

- **the latest technology and "how-to"s of water conservation for ICI water users.**
- **how to identify and utilize alternative sources of water.**
- **ways to establish and finance water conservation programs.**
- **where to find helpful resources.**
